

## Andy & Karyn Pricer - Mexico

Javier, pictured beside me along with two of his kids, has to be one of the most on-fire, joyful, talkative, & enjoyable young men I know. He has been saved for about 10 months, going to church, and just fitting in with the rest of the crowd. Well, 4 months back, we visited his church, spoke on the Fire of the Gospel, ministered to the people, and Jesus filled him up to overflowing. He went from normal to extraordinary. He now writes songs, evangelizes from bus to bus with his guitar, every word out of his mouth is about Jesus. Just an absolutely amazing individual. He played us one of his songs he wrote that was inspired by Karyn's worship. It was very honoring. Wow, we need more Javiers in the world today. But that is what the Fire of Heaven, the Holy Spirit, can do to a person. Get the Fire, people, and when you get it, never let it go! Drink it, drink it, & drink it again.

## Peter & Brenda Naska - Philippines

This month we hosted two basketball outreaches on Samal island. At the outreach we involved filipinos 13 years old and above in basketball competitions and gave prizes to dozens of kids. This opened the door for us to share the love of Jesus and pray for the sick. Many with head pain and cataract disease were 100 % healed!

## Brian & Mary Beth Stubenrauch - Thailand

We have started a Saturday morning kids club in front of our house. We teach them from the Bible, play lots of games, try to speak some English together and learn about how people live in different parts of the world. This is quite mind boggling for them. We have lots of fun and these same children are usually at our house several afternoons per week to play after school lets out. Almost every single one of them are fatherless and many of them live with grandparents. They call their grandparents "mama grandmother" and "daddy grandfather" since their own parents are not raising them.

## Rod & Marion Hall - Traveling

In Sacramento, we ministered at the farm where we stayed last year for our 21-day prayer strike. After TheCall Sacramento a young atheist got saved and went into a local high school. About 400 kids came to the Lord. Now, it has spread into nine high schools and about 2,000 young people have gotten saved!
